

Career Sectors and Pathway Possibilities

Agriculture and Natural Resources

Ag Leadership & Technology
 Ag Welding Technology I, II
 Environmental Horticulture
 Equipment Construction I & II
 Small Engines & Power Equipment
 Internships in Agriculture

Arts, Media Entertainment

Theater Arts
 Computer Graphics I, II

Education, Child Development, Family Services

Careers with Infants and Toddlers
 Child Development
 Health & Family Living
 Foundations in Education

Engineering and Architecture

Advanced Architectural Design
 Beginning Drafting
 Principals of Engineering

Business and Finance

Accounting I, II
 Virtual Enterprise

Hospitality, Tourism, and Recreation

Culinary Arts I & II

Health Science and Medical Technology

Anatomy & Physiology
 Medical Occupations

Information & Communication Technologies

Computer Applications I, II
 Programming I, II

Manufacturing and Product Development

Digital Electronics
 Welding Fabrication Technology

Marketing, Sales and Services

Marketing Foundations
 Marketing Foundations & Community Classroom
 Advanced Marketing

Transportation

Auto Mechanics I, II

What are the Benefits of Articulation?

- ◆ Saves students time and money! No enrolling in the class and no paying for units, health fee, or textbook.
- ◆ Reduces duplication of coursework a student has already mastered.
- ◆ Students gain confidence in their ability to do college work.
- ◆ Simplifies the college registration process once students receive college credit.

Look how much money YOU save!

Start your piggy-bank now for the end of the year ACE.

(ACE - Articulated Credit by Exam)

Fees	Merced College	CSU Average	ACE Course	Your Total cost
Book	\$120	\$150	\$0	
Tuition	\$138 <i>(\$46/unit)</i>	\$1731 <i>(0-6 units)</i>	\$0	
Transcripts	\$5	\$4	\$0	
Parking Permit	\$20	\$67	\$0	
Student Body	\$10	\$46	\$0	
Health Fee	\$17	\$133	\$0	
ACE	\$0	\$0	\$50	\$50
Total Savings:	\$310	\$2131	\$50
